SENATOR F. LEWIS: Now did the Appropriations Committee make an analysis of the program itself?

SENATOR MARVEL: No.

SENATOR F. LEWIS: Would you be more disposed to accept an amendment from Federal funds rather than the General Fund amendment?

SENATOR MARVEL: Yes.

SENATOR F. LEWIS: Would you see anything wrong, and would you have any serious objections if I would earmark that out of federal funds that the program would be on going?

SENATOR MARVEL: No, as long as after you do it you get that 4 bill back so it can be processed in time to vote on it.

SENATOR F. LEWIS: Alright I'll tell you what I'll do, I want to temporarily withdraw that amendment. I will fix it up in the next 10 minutes or so and read it off. May I do that Mr. Clerk? Mr. Speaker?

SPEAKER: We'll take up LB 604. We'll lay LB 605 over. Are there other amendments or motions on 605?

CLERK: Mr. President, there is one on 604.

SPEAKER: Proceed.

CLERK: Read amendment offered by Senator Cavanaugh found on page 1815 in Journal.

SPEAKER: Chair recognizes Senator Cavanaugh. Senator Cavanaugh you are being recognized by the Chair.

CLERK: On your motion to return LB 604.

SENATOR CAVANAUGH: To send the technical assistants? Mr. President, members of the Legislature. This amendment is to correct ... it's a corrective amendment from the Fiscal Staff relative to the amendment the other day separating the Department of Economic Development from the Technical Assistants Agency. I am informed that there was an additional \$25,000 appropriation involved to affectuate the merger. Since we have again separated them this would eliminate that \$25,000 which was designed to facilitate the merger & I think, separate the funding appropriations in the appropriate manner. For those purposes I urge the adoption of the amendment. I move the bill be returned.

SPEAKER: Any discussion? Any further discussion? The question is shall the bill be returned back to Select File. Have you all voted? Shall LB 604 be returned back to Select File for specific amendment? Have you all voted? Clerk will record.
